

Environment Café 613

The Carbon Literacy Challenge

JOIN US as William Nuttle, a retired environmental engineer and long-time resident of the Glebe neighbourhood in Ottawa, where he advocates for increased energy efficiency and use of renewable energy to reduce our impact on climate and the environment, will help us to:

Understand Better How Everyday Choices Affect Your Carbon Footprint.

Tuesday Oct. 29th at 7:30pm

Live Music with
Zvondai Muchenje

Ottawa Bahá'í Center
211 McArthur Avenue

Please join us in person for multifaith Devotions and an Interactive Presentation, followed by discussion, fellowship, and refreshments.
